

Dear Parents & Families,

At Holy Rosary Catholic School we have a variety of attendance and educational options for your children. We welcome Catholic and non-Catholic students to our family where we stress rigorous academics delivered in a caring and disciplined atmosphere. We have group and individualized reading programs specifically designed to help all students no matter their reading level. Our technology program is one of the most innovative in the state and adds new products and instructional strategies each year. Every Wednesday we attend mass as a school and during the week there are times set aside for individual and group prayer as well as quiet moments for individual contemplation. From our nurturing three-year old preschool classes to our highly interactive sixth grade learning atmosphere, your child will receive a one-of-a-kind academic and spiritual experience.

Here are some of our specific class offerings here at Holy Rosary. Please call our office with any questions or comments; 715-748-3336 or email us at schoolsecretary@holyrosarymedford.org:

Three-year Old Preschool Program

- Four different sections
 - Monday, Wednesday and Friday from 8am -11am with milk & snack fee of \$27 each for a total of \$54 a year

- Convenient program hours of 3pm to 5:45pm

All students at Holy Rosary have access to the Medford Public School bus system at no charge and are dropped off at the front door of the school. We also work closely with the public school system on grant programs, Title I Reading assistance and teacher professional development and sports activities.

Holy Rosary Catholic School is a vibrant, growing and innovative academic and spiritual community. We welcome parent involvement at all levels and particularly like to see grandparents and siblings helping out in our classrooms. Our flexibility and partnership with parents and the parish allow us to update programming and try new and cutting edge ideas quicker than other schools.

If you're looking for a school climate where your child can be an individual and tap into their true potential, we invite you to call us or come for a visit and personalized tour. You can get more information on our website at www.holyrosarymedford.org or call us at 715-748-3336. We welcome your email at schoolsecretary@holyrosarymedford.org and principal@holyrosarymedford.org.

Yours in Christ's Peace

Tim J. Havican

Principal
