INVESTMENTS

Today for Tomorrow - an investment drawing quarterly interest used to off-set the high cost of School expenses that occur in the beginning of a school year. This money is drawn upon only if the general checking account can not pay outstanding expenses.

Endowment Fund - an investment that draws quarterly interest. The principal is not used, only the interest. This interest earned money is used to off - set expenses occurred in the Parish as a whole. It could help to pay school, church or religious education expenses.

Capital Campaign fund (formerly Building Fund) - an investment that draws quarterly interest. This money is designated for capital projects such as a new air conditioner for church, resurfacing the parking, adding on to the building, etc....

TUITION ASSISTANCE

Monies used to help off-set tuition payments for families who may not be able to make full or partial tuition payments.
